

Monitoring and Evaluating (M&E) World Without Orphans Progress

In the following sections, you will find questions that have been validated by global experts, are linked to the WWO Strategy, and that have been adapted to help Monitor and Evaluate (M&E) progress for each Foundation of the WWO Roadmap. The list of the four Foundations, along with potential users and total number of questions for the M&E measures, follows:

1. Broadscale Collaboration 2. Practical Self Care 3. Intervention 4. Prevention

Answers and data will only be shared anonymously, and your name and email will not be included in any reports.

- Name
- Email
- Country

1. Broadscale Collaboration

FUNCTIONING:

- Has your country convened and supported a national facilitation team meeting at least twice in the past 12 months to address orphaned and vulnerable children? *
 Yes No
- Do you have written minutes that name clearly defined action items that were the outcome of the meeting? *
 Yes No

COLLABORATIVE:

Does the national facilitation team include faith leaders, FBO/NGO leaders, subject matter experts, and is there shared implementation of activities that support orphaned and vulnerable children and families? *

Yes No

- Optional: Please list all organization or networks (agency/organization, focal point) involved.

MULTI-SPHERE:

- Does the team collaborate with a variety of people and groups, including at least three of the following spheres of influence: faith, government, education, media, technology, business, family, youth, academics, donor groups, and businessmen? *

Yes No

Optional: If yes, please name all the groups involved (agency/organization and focal point).

2. PRACTICAL SELF-CARE QUESTION

Evaluate the following statements. *

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
I tend to bounce back quickly after hard times	<input type="radio"/>				
I have a hard time making it through stressful events	<input type="radio"/>				
It does not take me long to recover from a stressful event	<input type="radio"/>				
It is hard for me to snap back when something bad happens	<input type="radio"/>				
I usually come through difficult times with little trouble	<input type="radio"/>				
I tend to take a long time to get over setbacks in my life	<input type="radio"/>				

INSTRUCTIONS For Intervention and Prevention Questions:

As a member of a WWO Regional Team and/or WWO National Team, we ask you to answer these questions for your service through your own faith community or organization, for our current purposes. In the future, you would want to combine these for your entire nation and region.

For which organization are you answering the Intervention and Prevention questions? *

3. Intervention – Transition into Alternative Care as in the WWO Roadmap:

– Reunification; Kinship Care; Foster Care; Adoption

PLEASE ANSWER ALL QUESTIONS BELOW. IF THE QUESTION DOES NOT APPLY PLEASE LEAVE BLANK.

- 1. CHILDREN – During the past 12 months, how many children received transitional care services (to help them transition from orphanages or unsafe homes into safe and loving families), including support services, after capacity building provided by WWO faith community or network collaborators? (Estimate total number of children)
- 2. PARENTS AND CAREGIVERS – During the past 12 months, how many parents or caregivers received support for transitioning children into safe and loving families, after capacity building provided by WWO faith community or network collaborators? (Estimate total number of parents/caregivers)
- 3. LEADERS – During the past 12 months, how many leaders, including volunteers, practitioners, advocates, champions, or providers were trained in delivering quality transition/intervention family-based care services (such as those in the WWO Roadmap), including support services, to vulnerable children and their alternative families? (Estimate total number of leaders)
- 4a. ORGANIZATIONS – During the past 12 months, what was the number of organizations, including faith communities, FBOs, NGOs, etc, that received training to strengthen their capacity to deliver transitional family-based care (such as those in the WWO Roadmap)? (Estimate total number of organizations)
- 4b. ORGANIZATIONS – During the past 12 months, how many different trainings were received by these organizations above? (Estimate total number of trainings)

4. Prevention – Help Vulnerable Children Remain in Safe and Loving Families using these 7 WWO Roadmap INSPIRE strategies:

1. Implement protective policies
2. Norms that protect children
3. Safe environments
4. Parenting and caregiver support
5. Income strengthening
6. Response services

7. Education and life skills

PLEASE ANSWER ALL QUESTIONS BELOW. IF THE QUESTION DOES NOT APPLY PLEASE LEAVE BLANK

1a. CHILDREN – During the past 12 months, how many children were served through one or more prevention programs based on the WWO Roadmap 7 strategies after capacity building by WWO faith community or network collaborators? (Estimate total number of children)

1b. CHILDREN – During the past 12 months, how many programs were received by the children in the previous question. (Estimate total number of programs)

2a. PARENTS AND CAREGIVERS – During the past 12 months, how many parents and caregivers were served through one or more prevention programs based in the WWO Roadmap 7 strategies, after capacity building by WWO faith community or network collaborators? (Estimate total number of parents/caregivers) *

2b. PARENTS AND CAREGIVERS – During the past 12 months, how many programs were received by the parents and caregivers in the previous question. (Estimate total number of programs)

3. LEADERS – During the past 12 months, how many leaders, including volunteers, practitioners, advocates, champions, or providers were trained in delivering evidence-based prevention program training in one or more of the WWO Roadmap 7 strategies, to protect children from violence and vulnerability? (Estimate total number of leaders)

4a. ORGANIZATIONS – During the past 12 months, what number of organizations, including faith communities, FBOs, NGOs, etc, received training to strengthen their capacity to deliver evidence based prevention programs in one or more of the WWO Roadmap 7 strategies? (Estimate total number of organizations)

4b. ORGANIZATIONS – During the past 12 months, how many different trainings were received by these organizations (Estimate total number of trainings)

4c. ORGANIZATIONS – During the past 12 months, how many of the 7 WWO Roadmap strategies listed above were covered with these organizations (Estimate total number of strategies)
